

12 TH ANNUAL FIRST THANKSGIVING CELEBRATION

YOUR INVITED

Saturday, May 1, 2010 at 6:00pm

El Pinto Resturant

10500 4th St. NW

We CELEBRATE the first Thanksgiving ever held in the present United States on April 30, 1598. The Spanish gave thanks for reaching a new homeland just before crossing the Rio Grande to settle what is now New Mexico, Arizona, Eastern California, Southern Nevada, Western Texas, Western Oklahoma and Southwestern Kansas.

Speaker: Historian, Dr. Joseph Sanchez

EACH YEAR AT OUR BANQUET we honor a man and a woman who have served as role models for others and exemplified in a positive manner the attributes of New Mexico's Hispanic culture. Like Don Juan de Oñate and Doña Eufemia. This year is no difference, and the awardees will soon be announced.

“Come, noble soldiers, knights of Christ, here is presented the first opportunity for you to show your mettle and courage and to prove that you are deserving of the glories in store for you.” Juan de Oñate
