Dear NMHCPL member
Your support has helped us to promote education for future generations and present unbiased information. Remember, in addition, NMHCPL was organized as a way to honor our Ancestors, acknowledging their worthy contributions to this Region and Nation. This Nations schools history text books promote a history which excludes accomplishments of the Spanish surname settlers, as well as promotes negative distorted facts, which we believe needs attention.

The board has been working on compiling information from text books to be used in a view point's discrimination suite; as well as currently working to get our Bataan Veterans the Congressional Medal of Honor. Membership numbers impact our strength when pushing projects, we need your continued support. To celebrate our tenth anniversary we ask you to sign up a friend to receive the newsletters free. Please help us in this endeavor, by taking the time to send an additional name with your Membership renewal. Thank you!
